

Dear Parents,

We had a great day yesterday celebrating World Cultural Diversity Day. The day began with an assembly presentation by students from King Egbert School who always support us with this day, before the children headed to their respective classrooms to enjoy a day filled with different activities such as food tasting, music and art.

I would like to thank those parents who came to share their own experiences and to support with the day.

Care Home Visit

Earlier this week, thirty Year 6 children visited Outram Fields Care Home to share their World War II learning with residents, presenting their work on family histories through books and PowerPoint presentations. The visit was warmly received, with care home staff praising the children's engagement and the positive interaction with residents. Sincere thanks to all at Outram Fields Care Home for so kindly welcoming the children and making the experience so meaningful for all involved.

The Mane Event – Year 6 Fundraiser

We would like to warmly welcome you to attend our upcoming fundraising event, the “Mane Event”, organised by our Year 6 pupils to help raise money for their school production of The Lion King.

Our Year 6 children have been busy creating and organising a variety of stalls and activities for families to come along and enjoy. All money raised will go towards licensing fees, costumes and props to help us put on the best show possible.

The event will take place on Wednesday 10th June after school on the playground and will last for approximately half an hour.

We would really appreciate your attendance and support and hope to see you there!

No toys from home please

A reminder that children should not bring toys or collectibles from home into school, as they can easily be lost or broken which causes upset, whilst swaps between children can be difficult to resolve. Recently, there has been an increase in items such as Tech Decks, Pokémon cards and even small plastic ducks coming in! Thank you for your continued support with this.

Interactive Minecraft workshops for ages 8-16

Sheffield DocFest has teamed up with the National Videogame Museum and Minecraft artist Adam Clarke to create Sheffield of Stories - a collaborative Minecraft world - and you're invited to take part. Build your favourite Sheffield location, past, present or future, and see it featured in their FREE Alternative Realities Exhibition (10–15 June) at Yorkshire Artspace.

Join the Big Sheffield Build from 23–31 May at the National Videogame Museum on Angel Street.
