

Dear Parents,

It has been a wonderful first week back to Summer Term 2, not that the weather has felt especially summery! Despite it being the start of a very busy week, this will be a shorter than usual newsletter, but do please take note of the events page at the end which includes all the key events for the coming weeks.

On Monday we kick-started what is set to be a musical half term with a wonderful performance of singers, made up of solos, duets and the choir. It was wonderful to see the children performing so confidently and to welcome so many parents to the event.

Yesterday we also had the first of many instrument performances this term with the guitarists taking centre stage. We will enjoy many more performances later this term. I am certain many children will feel inspired by what they hear, so if you would like more information on instrumental lessons (including singing) for September, please contact the school office. Please look out for photos from both events on ClassDojo.

Year 4 MTC

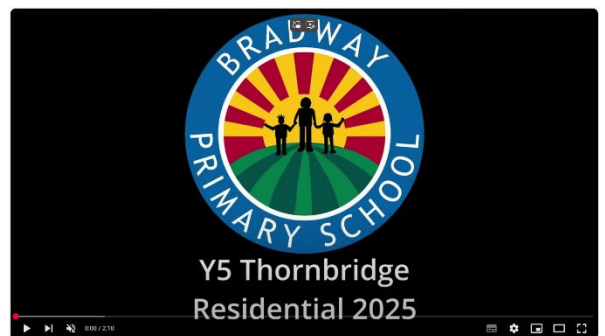

Well done to Year 4 children who have completed their Multiplication Tables Check this week. This is a statutory assessment that requires a quick response to random times tables questions. The children approached the assessment with an excellent attitude and certainly tried their best. Results will be shared as part of the end of year reports.

Year 5 Thornbridge Video

The children loved watching the Thornbridge video in this morning's Celebration Assembly. Hopefully most children featured somewhere in the video which serves as a lovely memory of an excellent trip. You can enjoy the video here:
