

Dear Parents,

We have enjoyed two more amazing performances from our musicians this week: pianists performed on Tuesday and drummers on Thursday. Yet again, the children entertained throughout, demonstrating their talents confidently. Thank you to all the parents and carers who joined us too.

Summer Fair

Please join us for our school summer fair next Friday 4th July straight after school. Entrance is free and all are welcome. There will be inflatables, food and drink, entertainment, face painting and more! All proceeds go to enhancing the school for the benefit of the children. We hope to see you there.

Monday ice lolly sale and purse sale

Monday is currently forecast to be really hot (31 °C) , so why not treat your children to an ice-lolly after school under the solar shelter. There will also be homemade purses and bracelets for sale made by a pupil in Y6! All proceeds are going towards the forthcoming Y6 leavers' party which is organised by our Y6 families. Thank you to those adults who are putting the event together.

Lollies will be £1 and purses from £2. Cash only please. Thank you.

Holiday activities

As the summer holidays draw near, we will share details of local summer holiday camps and clubs which may be of interest:

Sheffield Healthy Holidays

There are lots of exciting funded (free) activities for children and young people who receive benefits-related free school meals, from Reception to Y11, to access during the Summer school holidays as part of the Sheffield Healthy Holidays programme.

Places are available to book from Friday 4th July from 3:00pm here:

www.sheffieldhealthyholidays.org

Abbeydale Squash club

Abbeydale Squash club are running some fun and energetic Squash Summer Camps for new and current squash players. Whether your child has played before or not, they will be sure to have fun, learning the sport and playing games, alongside fun competitions and challenges. Children will also use our unique interactive squash wall, a huge 5m screen providing energetic interactive computer games that respond to balls being thrown, kicked or hit. Please see more details below.

At home reading books

We love seeing our students enjoying their reading books at home! To help us keep our library full of exciting stories for everyone, please have a quick look at home for any school reading books that might not be in use right now. These books are usually labelled or stamped, making them easy to spot. Infant children should have two books (a reading book and a purple sticker 'Reading for Pleasure' picture book), while Junior children should have one reading book.

Many of our missing books are much-loved stories that other children are eager to read, so we'd be really grateful if any unused books could be returned to school. This is especially important for our wonderful Year 6 leavers as we approach the end of term.

Thank you for supporting a love of reading in our school community!

Thank you also to Premier Air Conditioning and Heat Pumps, a local company who have kindly donated a Children's Mental Health book bundle to the school.

Tonight we have our Y3 sleepover on the field and Y6 are off to Whitby next week. I hope everyone has a wonderful time and many memories are made.

Mr Chris Thomas
Headteacher
