

Dear Parents,

The summer term is always a busy one and this one feels no different. On Friday last week we enjoyed our Y3 residential where we camped out on the school field for the night. We had such a fun time, enjoying freshly cooked pizzas, playing games and sitting around the fire. Some people even got a little sleep! I'd like to say a huge thank you to the staff for giving up their Friday evening to make this happen, and to the parents and scouts who kindly took care of many of the tents.

Year 3 were not the only group to enjoy their residential. Of course, Year 6 were also away this week enjoying the sunshine in Whitby. They too had a wonderful time rock pooling, stone painting and exploring the area. Again, a huge thank you to the staff for their hard work.

### **Summer Fair**

Don't forget our summer fair is taking place after school today. We hope you can join us for some food, entertainment, face painting and more.

### **Parent Survey**

As the year draws to an end it is time to ask you to complete our end of year parent survey. This takes around 5 minutes and the information it provides is hugely valuable. This year it has informed many of our school improvement targets for example. We will send various reminders over the coming days and weeks, but please only complete it once.

The findings of the survey will be shared early in the Autumn term.

Please complete the survey here: <https://forms.office.com/e/gURCJUFJED>

### **Sports Day**

Our annual Sports Day events are taking place next week and we really hope you can join us to cheer the children along. Please enter via the car park gate just before your child's allotted time and leave promptly after the event, when the gates will be reopened ready for

the next slot. All parents will need to leave the site between Y6 and Y3 events to allow us to run playtime.

If time allows, there may be a parents' race. Last year, the grit and determination in parents was clear for all to see, but did result in one or two injuries! Let's hope this isn't the case this year!

### **Wildflower Planting**

In May our Year 3 children planted a wildflower meadow on the Bradway Recreation Ground which has successfully grown into a beautiful haven for wildlife and insects. It is a great resource for the children to learn more about our natural world. The meadow was planted in partnership with BAG and Sheffield Council Parks and Countryside.

### **Transition**

Next Thursday is transition day when children will be spending time in their new classrooms with their new teacher. Children should arrive as normal and register with their current teacher. They will also be dismissed from their normal classroom door, **apart from current FS2 children who will be dismissed from the school hall into the quad**. To access this, walk to the left of the main school as you enter the site.

We hope the children are excited for the year ahead, but of course there may be some nervousness too. This is entirely normal and we will of course support the children throughout.

I hope you have a wonderful weekend and hope to see many of you at today's summer fair.

Mr Chris Thomas  
Headteacher
