

Dear Parents,

In assembly this week we were joined by representatives from Sheffield Children's, including Theo the Bear, who thanked us for our fundraising and also spoke about the important work the hospital does.

We also had the grand reveal of our decorated Lion Cub which will feature as part of the Pride of Yorkshire sculpture trail this summer. Our design includes work from across the school on the subject of belonging. A huge thank you to Mrs Gibson and Mrs Jubb for their work in collating the children's artwork and applying it to the cub.

This week, attendance and assessment reports have been sent by email to all parents from Y1 to Y6. If you have any questions about the information contained within the email, please speak to your child's teacher.

Finally, a huge thank you to FOBPS and their volunteers for running another evening of excellent discos last night. The children and staff had an excellent time!

Cake sale

Please join us after school **today** for a cake sale under the solar shelter. This is to raise money for the Year 6 leavers' party which will take place in the summer term.

Farewell Mrs Cooper and Mrs Miller

On Wednesday this week we said farewell to Mrs Cooper who has retired after 19 years of dedicated service to the children of Bradway. I would like to extend a huge thank you on Mrs Cooper's behalf for the well wishes and gifts she received from so many of you.

Today we're also sorry to say goodbye to Mrs Miller, one of our teaching assistants from Years 5 & 6. Mrs Miller has supported so many children both in the classroom and beyond, especially at local sporting events. Mrs Miller, thank you for all you have done - we wish you every success.

A message from Mrs Hatton...

I would like to say a huge thank-you to everyone who has donated to my Just Giving page. You have all been so overwhelmingly generous and I know that St Luke's will really appreciate your donations. I shall do my level best to do Alasdair proud.

Mrs Hatton, we wish you all the best for Sunday's race and will be cheering you on every step of the way. Good luck!

Bike and scooter security

We love keeping our site open at the end of the day for Stay and Play. It does of course mean it's slightly less secure for any bikes and scooters that are left, especially those that may be left overnight. May I encourage everyone to ensure bikes are locked up and also request that any bikes and scooters and not left overnight. Thank you.

World Book Day Story

One of the activities we do on World Book Day is a travelling story that starts in FS2 and works its way through the school up to Year 6. It's excellent to see how the plots evolve but also to see on one page how writing develops across the primary age. Well done to everyone for your contributions. The completed stories are attached.

Gymnastics Competition

Well done to Maisie, Emmy, Aida and Eleanor who represented the school this week at a gymnastics competition. They did an amazing job and should be very proud.
