

Dear Parents,

The highlight of this week has to have been our celebration of World Cultural Diversity Day on Wednesday. It was a joy to see our school awash with colours, smells and tastes as each year group learnt about a different heritage, place or culture. Certainly my favourite part was being invited to taste nine Greek salads made by the pupils of Year 6!

We were also delighted to be joined by students from King Egbert School, including their Diversity Group, who led an assembly, supported in class and played with the children at lunch. I would also like to thank our own community for supporting this day, especially those families who helped with ideas and preparation or who came in to help on the day.

### **Cycle Speedway**

On Thursday, a number of children from Year 5 attended a Cycle Speedway training session at Graves. This experience was entirely new to everyone and it was wonderful to see how they encouraged one another and all improved their times across the course of the session, some significantly. Sheffield Cycle Speedway offers regular training to young people, with more information available on their Facebook page: [Sheffield Cycle Speedway | Facebook](#)
