

Dear Parents,

The highlight this week in school has to have been the **amazing** Year 6 Production, School of Pop. The children enjoyed the dress rehearsals earlier this week and it was lovely to see a packed audience yesterday for the first performance to parents. I was particularly impressed by the children's confidence and their comedy timing! I am sure their performance will be equally memorable this afternoon.

With just a few days to go until the end of term there is a lot to include in this week's newsletter.

Sports Newsletter

Yet again, it has been an amazing term of sport for the children at Bradway. The video from Sports Day is now online and you can enjoy it here: <https://youtu.be/AXhqbxp4rxk>. You will also find attached to this newsletter this term's Sports Newsletter, prepared by Mr Cheetham. I would like to take this opportunity to thank him for all he has done to promote sport at Bradway, from coaching teams, to attending events outside of school hours. Mr Van Greuning has some big boots to fill, but we look forward to more exciting team and individual events next year.

FOBPS Fundraising

We are so lucky to have such an amazing team of parents who form part of FOBPS – Friends of Bradway Primary School. They run a host of events throughout the year, raising thousands of pounds to enhance the school. I would like to thank everyone for their efforts this year, and to all our families who have supported their events. Please take a moment to read their end-of-year report which outlines the monies raised and how it was been spent.

Currently, FOBPS are working hard on raising funds for our FS2 garden redevelopment. I'm delighted to say we have identified a company to complete the works and can now share some more images of the enhancements. If you feel you can contribute even just a little to this FOBPS fundraiser, please see the [Go Fund Me page](#).

Equally, if you work for a local company or organisation who might be interested in sponsoring a particular item, please contact Sarah Rehman via the school office. Here are some illustrative images to show some of the enhancements that we are hoping to add to the garden.

School Uniform

During the school holidays you will no doubt be checking uniform to make sure you have everything you need for September. May I remind families that our PE uniform consists of a **plain white or black T-shirt** with the school jumper worn on top when required. Football tops and other heavily decorated or branded items are not permitted.

Please also make sure all items are labelled with your child's name. Thank you.

Pupil Recruitment

We have a small number of pupil places available in some year groups, including in Foundation Stage for next year. If you are aware of families who are looking for a place for their child, please consider sharing the attached poster.

Last call for our parent survey

Thank you to the 106 respondents who have already completed our end-of-year parent survey. There is still time before the survey closes at the end of term. Click here to get started. <https://forms.office.com/e/gURCJUFJED> Outcomes from the survey will be shared early next term.

Holiday activities

As has been mentioned before, here is a reminder of local summer holiday camps, clubs and events which may be of interest:

Swim England Family Sessions

Swim England's National Summer Championships is returning to Ponds Forge International Sports Centre on Tuesday 29 July 2025 - Sunday 3 August 2025 and they are offering children and their families the opportunity to engage with some Aquatic Activity sessions and watch some elite level athletes across the championships! Please see the attached poster for more information.

Sheffield Healthy Holidays

There are lots of exciting funded (free) activities for children and young people who receive benefits-related free school meals, from Reception to Y11, to access during the Summer school holidays as part of the Sheffield Healthy Holidays programme.

Places are available to book from Friday 4th July from 3:00pm here:
www.sheffieldhealthyholidays.org

Abbeydale Squash club

Abbeydale Squash club are running some fun and energetic Squash Summer Camps for new and current squash players. Whether your child has played before or not, they will be sure to have fun, learning the sport and playing games, alongside fun competitions and challenges. Children will also use our unique interactive squash wall, a huge 5m screen providing energetic interactive computer games that respond to balls being thrown, kicked or hit. Please see more details below.

Whilst the weather forecast is not good for next week, we will always endeavour to get the children out into the fresh air to play, even if it is raining. Please make sure your child has a lightweight rain jacket if rain is forecast. I hope you have a lovely weekend – we look forward to seeing the children on Monday morning.

Mr Chris Thomas
Headteacher

Summer Term 2	
<p>Wednesday 23rd July 2.45pm</p> <p>Y6 Parents invited</p>	<p>Year 6 Leavers Assembly</p> <p>Parents are welcome to come along to the Y6 leavers' assembly in the hall</p>
